

COURIER-JOURNAL STRONGLY ENDORSES LARRY CLARK

“This is no time to trade a speaker pro-tem for a beginner who doesn’t even have much community involvement to draw upon... Mr. Clark should be returned.”

“(Larry Clark’s opponent) does not begin to compare with Mr. Clark’s encyclopedic expertise, the breadth and depth of his institutional knowledge and memory, and the skills he brings to work with him every day.

“Mr. Clark... has had to make tough calls and decisions in the past several years, as economic downturns have impacted the state’s budget... (Mr. Clark) is positioned to draw on all he knows and has done to make more tough decisions.”
